Testimonial & Referral Release Form

Testimonial Statement:

In this industry there are many companies with whom signing agents work. There are times when it can be stressful, last minute, et cetera. I, thoroughly, enjoy my profession as a signing agent and take pride in what I do.

Asset Recovery is one of those companies that I can add to my list of family. From the moment its telephone is answered to accepting an assignment, it is precision clockwork. Asset's clients are aware and know the terms of their contracts. The documents are received in an ahead of time schedule (which I love).

In addition to the technical, business side, there is the clients' side. Clients that I have met while on assignments for Asset, have exchanged words of being 'thankful' and 'grateful' for such a company. These clients were not aware of money owing them and it touches my heart to see their hearts' authenticity. This in itself makes the representation of a caring and personable business.

Thank you, Asset Recovery, for making Hart Lee Notary a part of your endeavoring success for people.
