Recovery Inc

**Testimonial & Referral Release Form**

**Testimonial Statement:**

I have had other recovery companies contact me, but they were not a member of of their local BBS, so I did not follow through with them. I am so thankful that Asset Recovery contacted me and they included the information that they are a member of the BBS in their initial letter, this sold me to follow through. Once I contacted the office and gave the OK to process the claim, they ran with it, even sending a notary to me in my area to help me complete the paper work to get the ball rolling. John Fox kept me informed every step of the claim process. He and his coworkers treated me with the utmost respect, they returned calls in a timely manner, I never once had to talk to an automated system, It was absolutely wonderful to actually speak to a person each time I called.

I am grateful to Asset Recovery for their expertise in finding and recovering funds that otherwise would not have come to me. *TER*
