### Testimonial & Referral Release Form

Testimonial Statement:

I received a letter from Asset Recovery about a year ago in regard to money that they said was left unclaimed by the estate of my sister. I was suspicious of this claim because there are a lot of scams that prey on people when a family member passes away. I spoke with Mr. Fox, Managing Director of Asset Recovery Inc, who explained that the money was in another state. My attorneys weren't aware of this. I want to thank Mr. Fox for all the red tape he had to unravel in order to release the money to the estate. The people @ Asset Recovery was professional, respectable and sensitive to my lost when ever I talk to them. The recover fee was very reasonable and a bargain considering they did all the heavy lifting recovering our money. You can trust them! All you have to do is call.
