John

I am so sorry. I thought I sent this too you. I had problems with printer and just realized I never sent it. Can you use the following?

Working with John fox and assert recovery was the best decision I have ever made. I had no idea the funds were even out there from an old tax sale until he called me. We got back a check for over 60k. Every step of the way they were very professional and answered every question I had. Even when I was calling 5 times a week at the very end! I highly recommend their services to anybody!! Ryan freeman

Sorry for the delay!!!!
