Testimonial & Referral Release Form

Testimonial Statement:

My first call from Asset Recovery came as a nice surprise saying I was owed money. The percentages and procedures were explained in detail, so I said why not, Asset Recovery began there work every couple months I was updated. Between the Judicial System waiting for court dates and 3rd party issues there was a lot of legal obstacles they had to climb. This went on for two years, the point being, they never gave up until they had positive results. If you are owed money in my opinion Asset Recovery would be your best chance of getting it. It was well worth answering the phone. They were patient and go above and beyond to get positive results.

Authorization and Release of Information
