Complaint Pathway

The ITP assesses jurisdiction and assigns a process upon receipt of every Complaint.

→ Redirect

Maltreatment Complaints which do not fall within the ITP's mandate, as prescribed by the Policy, are redirected, on consent of the Complainant, to Members to review under their policies and procedures.

→ Summary Dismiss

Complaints which do not relate to Maltreatment (for example, fee disputes) or are not pertaining to Hockey Canada participants are closed by Summary Dismissal order.

→ Accept

Maltreatment Complaints which fall under the ITP's mandate are addressed either under Process 1 (summary) or Process 2 (comprehensive) depending on a variety of factors including age of Parties, nature of the allegations and evidence provided.

Moving Forward

This Report demonstrates a reduction in complaint volume year over year, largely but not entirely attributable to Hockey Canada's direction to members not to provide 11.4 allegations to the ITP. Last year during Q2, the ITP received 209 11.4 complaints compared to 1 this period.

As anticipated, the volume of Complaints received during Q2 was greater than Q1. Based on historic trends, we expect Q3 to represent the highest volume of Complaints for the 2024-2025 season.
