CRUISE CERTIFICATE GIVEAWAY RULES: Only guests who received an invitation are eligible to participate. Invited guests receive a complimentary cruise for them and one guest on Norwegian Cruise Line (NCL). This offer is based on specific gaming criteria. Specific offer is stated on the guest's invitation. Cruise Certificates may be redeemed in the Grand Foyer, on Saturday, April 11 or Sunday, April 12 from 11AM to 2PM. Guests must have RSVP'd for the event with the Special Events Team, a Casino Host, or Room Reservations before April 9, 2026, to receive a certificate at the event. Guests who did not RSVP by the deadline are required to check in at the cruise certificate distribution and will receive their cruise certificate via e-mail within two weeks after the event. Guests must book the cruise within 2 months from receipt of the Cruise Certificate and sail within one year (subject to availability and blackout dates). The Cruise Certificate is non-transferable. The invited participant must be one of the guests on the cruise. Transportation, port fees, taxes, admin fees, gratuities and onboard expenses are not included. Participants may purchase any upgrades directly through NCL. If two participants in the same household both receive a cruise certificate, they may not book two separate cabins on the same cruise. However, participants in the same household may choose to combine their certificates and receive one stateroom category upgrade up to a maximum of a mini suite, or they may book two different cruises. Some exclusions apply. See individual certificate for details. Management reserves all rights.
