

30" Transparent OLED Desk Stand (TOLED-30-DS)

Key Features :

- Self-Luminous OLED Technology
- High Dynamic Contrast for More Color Depths
- High Refresh Rate, Low Imagery Latency
- No Backlight, No Light Leak
- Ultra-Thin Display Desk Stand Form Factor
- Rear Side Optical Blur for Enhanced Privacy
- KOGI Display Firmware Support Services

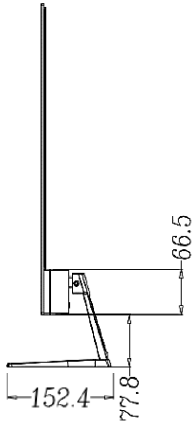

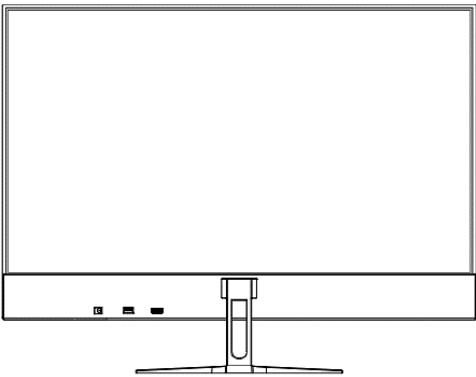

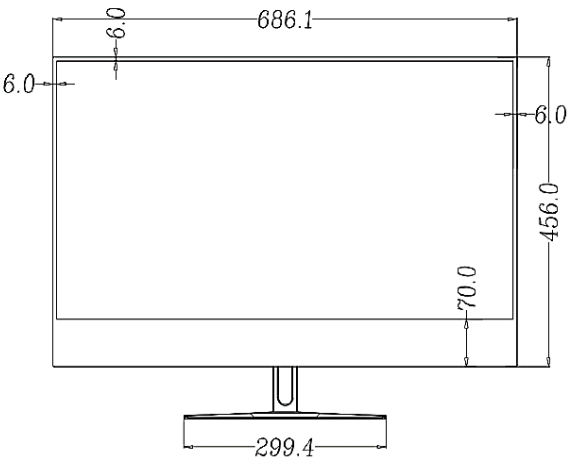

System Specifications

Display	30" Transparent Display
Type	OLED
Transparency	43% (Typ.)
Reflection	20% (Typ.)
Contrast	135,000:1 (Dynamic)
Ratio	16 : 9
Resolution	1366 x 768
Display Area	664 x 371 mm
Viewable Angle	178 degree
Brightness	200 – 600 nits
Color Hue	10 bit, 1.07 billion colors
Color Range	108%

Response Time	0.1 millisecond (gray to gray)
Life Expectancy	30,000 Hours (Typ.)
Refresh Rate	120 Hz
Input	DC*1, HDMI*1, USB*1
Touch	No (Optional: KOGI HTO Hover Touch)
Environment	Temperature: 0-40°C ; Humidity: 20-80%
Certifications	CE / FCC / CCC / RoHS
Display Dimension	671.1 x 385.3 mm
System Dimension	686.1W x 533.8H x 152.4D mm
Package Details	830 x 340 x 670 mm Gross Weight : 12KG
Power Consumption	Operating: ≤80W (Typ.) , Off: 0.5W
Power Type	DC24V
Accessory	Desk Stand, Remote Control, Power Cable

Dimension

Unit: mm
