MONITOR HEALTH ON THE ROAD

CDL Health Scanner is a revolutionary preventative health tool for drivers. The scanner is accessed through your smartphone browser and uses your camera to scan your face and analyze key vital signs.

Monitor Key Health Information

- Blood Pressure
- Heart Rate
- BMI
- Respiratory Rate

Health education resources

- Diabetes Resource
- Sleep Apnea Resource

Prepare for your DOT Exam with this powerful tool!

START NOW

When you enroll in NAWP, you will receive a confirmation email with an access code and instructions on accessing the scanner.

SLEEP APNEA TESTING & MANAGEMENT

20 million Americans suffer from undiagnosed Sleep Apnea. The program is designed to help you test, treat, and manage sleep disorders without needing to go to a sleep center.

HOW IT WORKS

1. Prescription

Receive a prescription from your doctor

3. Testing

Easy to follow instructions with 24-hour support line. Ship the device back after the test is completed in provided return envelope.

5. Follow-Up Care

If the results are negative, you'll receive a sleep apnea release letter. 24-hour access to ongoing support will be provided to members undergoing therapy.

2. Test Kit Delivery

Free sleep testing device will be shipped to your home via UPS

4. Interpretation

Test results are interpreted by a Board Certified Sleep MD and you'll be notified of the recommended next steps.

BENEFIT	RATES
In-Home/In-Cab Sleep Study Expense	\$325
Auto-Titrating PAP Machine with compliance monitoring.	Pricing may vary
Support to Members	Included
