Welcome, and thank you for choosing  
**The Cleaning Edit.**

We understand that inviting someone into your home is personal. That's why we approach every service with care, respect, and a genuine commitment to creating a calm, clean, and well-maintained space.

Our focus is simple: to deliver a consistent, high-quality service that supports your lifestyle and gives you back time. We take pride in the details, follow a structured approach, and treat every home as if it were our own.

Whether you've booked a regular clean, a deep service, or a one-off visit, our goal is to leave your home feeling refreshed, organised, and effortless to live in.

This booklet has been designed to guide you through how we work, what to expect, and how to get the best results from your service.

If you have any questions at any time, we're always here to help.

## **Our Approach**

When we enter your home, we do so with care, respect, and attention to detail. Your home is a personal space, and we treat it accordingly: as if it were our own.

Our team is experienced, reliable, and approachable, with a genuine focus on creating a home that feels fresh, calm, and well looked after.

We understand that every household is different, which is why we deliver a service that is consistent, comfortable, and tailored to your needs.

## **Our cleaners are:**

- Experienced and detail-oriented
- Professional, friendly, and respectful
- Reliable and punctual
- Careful with your belongings
- Committed to a high standard at every visit

For regular clients, we aim to have the same cleaner attend your home wherever possible. This consistency helps build trust and ensures we understand your preferences over time.

We believe clear communication is key. If you have specific requests, priority areas, or would like anything adjusted, we are always happy to accommodate. Our goal is to provide a service that works seamlessly for you and your home.

We understand that inviting someone into your home is a big step. From your very first service, our focus is on creating a professional, respectful, and comfortable experience.

We are here to do more than clean: we are here to give you back your time and make everyday living that little bit easier.
