If for any reason the race must be stopped, it will be considered complete if the race leader has completed 50% or more of the scheduled laps. Subject to OSCS officials discretion.

At each individual event, you will receive 1 point for each position you finish in each moto. example - 1 for 1st, 2 for 2nd, 3 for 3rd, etc. Both moto scores are added together for your overall finish. Lowest total score wins. In the event of a tie, the best finish of the 2nd moto will break the tie.

EVERY EFFORT WILL BE MADE TO RULE ON PROTEST IN A TIMELY MANNER.

MOTO CANCELLATIONS

In the event that both motos of a series round cannot be completed due to bad weather, lack of sunlight, or any other acts of god, all races for that day will be deemed completed based on the actual number of motos ran. Example: The OSCS runs 41 classes, 41 first motos and 41 second motos. The first set of motos is ran. During moto 7 of the second round of motos, it starts to rain, by the end of moto 7 the track is so bad that we are unable to continue races. The races are called due to the weather, all of the motos through moto 7 would be scored based off on 2 motos, moto 8 through 41 would be scored based on 1 moto. The OSCS and the track operators will make every effort possible to run a full set of motos. If, however any round is cut short due to extenuating circumstances, the above stated ruled will be in effect.

FLAG SIGNALS

All Flag signals must be obeyed immediately by all riders. A rider who disregards any flag signal will be penalized.

YELLOW: CAUTION rider is down on track or dangerous situation ahead. **Rider MUST RIDE WITH EXTREME CAUTION** until they have passed the incident that caused the yellow flag. **THERE IS NO PASSING, DOUBLING, TRIPLING, IMPROVEMENT OF POSITION, OR AGGRESSIVE RIDING.**

VIOLATION OF THIS RULE WILL RESULT IN OFFENDING RIDER BEING DOCKED A MINIMUM OF 2 POSITIONS TO A MAXIMUM OF 1 LAP.

***NOTICE:** Yellow flaggers are in place to signal oncoming riders of a potentially hazardous condition on the track. They are not in place to assist downed riders. Any verbal or physical abuse of any flagger shall be grounds for disqualification of you, and/or your rider from any further participation in any event.*

BLACK FLAG: Exit track, report to OSCS official immediately. Failure to respond to this flag may result in disqualification of the day's event.

RED CROSS FLAG: Caution, injured rider down / medical personnel on the track. **SLOW DOWN, DO NOT PASS, NO JUMPING, NO IMPROVEMENT OF POSITION, OR AGGRESSIVE RIDING. VIOLATION OF THIS RULE WILL RESULT IN OFFENDING RIDER BEING DOCKED A MINIMUM OF 1 LAP TO A MAXIMUM OF DISQUALIFICATION FROM THE EVENT.**

RED FLAG: The race has been stopped, report back to the starting line.

WHITE FLAG: Last Lap of the race, this is a courtesy flag and does not have to be displayed at the beginning of the last lap.

CHECKERED FLAG: End of the race, all riders **MUST EXIT THE TRACK**, no making up the laps that a rider is down.

It is the riders responsibility to know the meaning of each flag and to abide by that meaning when the flag is displayed. Failure to acknowledge ANY signal flag will result in the offending rider being docked, at a minimum of 1 lap. This rule applies to practices as well as the actual race.
