

DWI Victim Impact Panel (VIP) Information

What is the VIP program?

The Victim Impact Panel (VIP) is an awareness program for driving while intoxicated offenders. The panel involves a non-confrontational presentation consisting of crime victims telling their own personal stories of how impaired drivers impacted or changed their lives.

Why will I have to complete VIP?

You may be required to complete an in-person Victim Impact Panel (VIP) as part of a term of probation or your attorney may request that you complete it as part of a mitigation or plea negotiation packet.

How do I sign-up for the program?

To attend the program, pre-register and pre-pay on-line at the below website. If you wish to pay when you arrive at the program, a money order payable to MADD will be required. Don't forget to bring a photo ID and don't arrive late.
