## Quotes

Paladin Caseworks is happy to quote library furniture built to custom requirements. For assistance in quoting any project please contact

George Herzog

Phone: 512.718.5445

Fax: 888.685.0503

Email: [george.herzog@paladincaseworks.com](mailto:george.herzog@paladincaseworks.com)

## Terms of Sale

To those distributors with approved credit, all invoices will be due 1% 10, Net 30 days, F.O.B. Shipping Point. All other accounts will be Net Cash before shipment. Distributors must be established with net 30 terms prior to participating in any local, state or federal cooperative bid. Accounts not paid within terms will be assessed 1.5% interest per month. Any account that exceeds 90 days will be placed on credit hold. Any order of \$50,000 net must include a 30% deposit.

## Changes to Orders

Changes to orders already acknowledged are subject to a fee covering the cost of making the requested change, with a minimum charge of \$65.00.

## Cancellation of Orders

All acknowledged orders are considered firm and cannot be canceled without written authorization from Paladin Caseworks. A cancellation fee will be calculated based upon cost incurred by Paladin Caseworks with a minimum charge of \$65.00.

## Return Authorization

Paladin Caseworks will honor a 30 day return policy. All products returned must be free from defect and will be subject to a 20% restocking fee with a minimum charge of \$65.00. All freight charges will be borne by the buyer. All returns must have a Return Authorization number issued prior to the return of the product. Contact Paladin Caseworks Customer Service department at 574.233.8778 for return authorization. Paladin Caseworks cannot accept returns of any special or custom made products including special finishes and laminates (any laminate other than our standard wood grain laminates). After 30 days, goods can be returned only as provided for in Paladin Caseworks standard warranty.

## Storage

Paladin Caseworks cannot offer storage on site for any orders. We can hold an order up to 5 working days after original due date to facility coordination. Storage for any length of time over those 5 working days will be subject to immediate invoicing and off site storage fees including truck rental to move product to off-site facility.

## Freight Damage and Shortages

All freight damages on prepaid and add shipments must be reported to Paladin Caseworks within 7 days of delivery.

All shortages must be reported to Paladin Caseworks within 30 days of delivery. Any freight damage or shortage reported after these dates will be at the expense of the dealer including but not limited to materials and freight charges.

## Warranty

Paladin Caseworks shelving and case goods are warranted against defects in materials and workmanship for 12 years from the date of delivery. During the warranty period, Paladin's sole obligation, and the customer's sole remedy, will be the repair or replacement of the defective product. This determination will be at the sole discretion of Paladin Caseworks. Warranties on hardware, including, but not limited to, hinges, locks, lift columns, monitor mounts, solid surface and laminate materials, are limited to the warranties provided by those specific manufacturers.

Specifically excluded from any warranty claim is damage caused by abusive or abnormal usage, water damage, damage from solvents, exposure to extreme conditions, alterations or modifications not performed at the factory, or failure to follow any distributed instructions for use or assembly.

Furthermore, this warranty does not extend to natural variations in wood grain or natural marks characteristic of the species, color variations within natural materials, or normal wear and tear. This warranty is extended to the original purchaser and is not transferable to any subsequent purchaser. Purchaser shall indemnify and hold harmless Paladin Caseworks, its officers, employees, and agents from any loss, damage, or claim arising from the Purchaser's own design, specifications, or materials supplied by the Purchaser.

No corporate body or individual is authorized to incur or assume any liability in Paladin Casework's behalf in connection with the sale or installation of Paladin's products except as stated above.

This is the complete warranty provided by Paladin Caseworks. There are no other warranties, expressed or implied, including any warranty of merchantability, fitness for a particular purpose,

## Product Images

There are three ways a dealer may obtain images of products by Paladin Caseworks for marketing purposes.

- 1.) Contact Paladin Caseworks for available images
- 2.) If image is not available, Paladin Caseworks will provide products at no charge, if dealer agrees to share the image for Paladin Caseworks' use in and with other catalogs.
- 3.) If the dealer requires images unique to their catalog or other marketing materials, product can be purchased at a 30% discount and are liable for all freight charges. Product is not returnable and non-refundable.

# Patron Information Terminals

These multi-purpose units can be used at the end of shelving runs, on a wall or column or simply back-to-back for a free standing display. With two styles of shelving the grid display allows for features to be created from any media. The monitor stand works for an online monitor or for a electronic information board and the new slat wall version with the metal shelf options can be configured for almost any type of media.

- Rift cut oak veneer plywood with 1/4" solid oak banding
- 30W x 14D x 76H
- Grid wall comes with (3) 24w wire shelves and (3) 24" wire shelves with end caps
- All metal parts are powder coated in black
- T-mold edge on the horizontal surfaces is black
- Aluminum slat wall allows for 1" on center adjustments
- Metal silver powder coated shelves and bins sold separately (see page 10)
- Fully integrated raceway provided for cord management
- Monitor not included
- Ships fully assembled
- Select from five standard colors or have it custom match to existing furniture at a slight up charge

## Mobile Multi Purpose Desk

Made with durable high pressure laminate panels and work surface, this mobile unit works great in any location in your facility. Small enough to fit through standard doorways yet big enough for any task.

- Laminate work surface and patron ledge are protected with coordinating PVC t-mold edge band (silver, soft whit, soft gray and black)
- 4" Designer furniture casters, 2 locking and all swivel.
- Two black grommets in the work surface.
- Unit is 36" d at the widest point x 42h with a 27" deep work surface.
- Work surface is 36H A.F.F.
- Legs are 2" dia. 16 gauge steel with welded flanges that connect the laminated panels with decorative connectors. Powder coat is Stardust Silver.
- Legs have an M10 welded nut for attaching the casters
- Mobile veneer pedestals for storage are sold separately.
- Laminates listed are recommendations only. Selections can be made from any of the standard Wilson Art, Formica, Nevamar or Pionite laminate companies

## Tower Displays

Use the least amount of floor space with maximum display potential. With clear acrylic windows on all pockets you have full visibility.

- Three styles are available; 12", 11-1/2" and 9" high pockets perfect for paperbacks, cd/dvd's, security cases, magazines, newspapers or larger picture books.
- Casters on the octagon and Magazine displays are 4" twin-wheel furniture casters with brake.
- The 16-pocket unit swivels on a 360 degree platform.
- Clear view acrylic is 1/4" thick
- Horizontal parts are 3/4" Baltic birch plywood with exposed core.
- Vertical supports are 1/4" MDF core with gray face.
- Mobile bases have black protective bumper.
