Oxford Tables

Reading is a fundamental skill, one that allows people of all ages to explore the ideas of others and unleashes the mind to make new discoveries of its own. A comfortable spot to turn the pages makes reading a pleasure.

At Paladin Caseworks, we strive to create reading tables that emphasize both form and function – tables that are pleasing to the eye and practical to use.

"The greatest gift is a passion for reading. It is cheap, it consoles, it distracts, it excites, it gives you knowledge of the world and experience of a wide kind. It is a moral illumination."

Elizabeth Hardwick
