Mobile Multi Purpose Desk

Made with durable high pressure laminate panels and work surface, this mobile unit works great in any location in your facility. Small enough to fit through standard doorways yet big enough for any task.

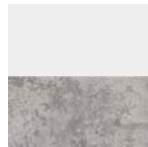

- Laminate work surface and patron ledge are protected with coordinating PVC t-mold edge band (silver, soft whit, soft gray and black)
- 4" Designer furniture casters, 2 locking and all swivel.
- Two black grommets in the work surface.
- Unit is 36" d at the widest point x 42h with a 27" deep work surface.
- Work surface is 36H A.F.F.
- Legs are 2" dia. 16 gauge steel with welded flanges that connect the laminated panels with decorative connectors. Powder coat is Stardust Silver.
- Legs have an M10 welded nut for attaching the casters
- Mobile veneer pedestals for storage are sold separately.
- Laminates listed are recommendations only. Selections can be made from any of the standard Wilson Art, Formica, Nevamar or Pionite laminate companies

Mobile Security and Information Desks

Adjustable Height Info Desk

Bring design, function and mobility together. With the unique contemporary slat wall pattern on the front desk panel, the uses become infinite. From a reference desk or information desk in a library to a reception desk in a church or civic building to an alternate check out station in a retail establishment. While the designer slat wall pattern is custom it works with any standard slat wall accessories (not included).

- Contemporary slat wall front panel design (accessories, not included)
- 3/4" Melamine construction
- Select adjustable height from 29 to 42H or fixed height at 29 or 39"H
- Mobile with 4" twin wheel furniture casters, all locking
- Work surface is 1" partial board core with high pressure laminate on one side and balancing backer on the other.
- Protective T-mold edge band on work surface and platform base
- Provided with two, (2) 2" Black Grommets
- 60W x 27D with 48" available knee space
- Available in 3 melamine colors with mix and match top laminate selections.
