

GC Cable Handrail
Estimate Worksheet

Contractor: _____ Location: _____

Contact: _____ Phone: _____

Email: _____

Customer: _____ Phone: _____

Top Rail: Wide Narrow

Mounting: Face Deck Specialty _____

Color: Black Specialty _____

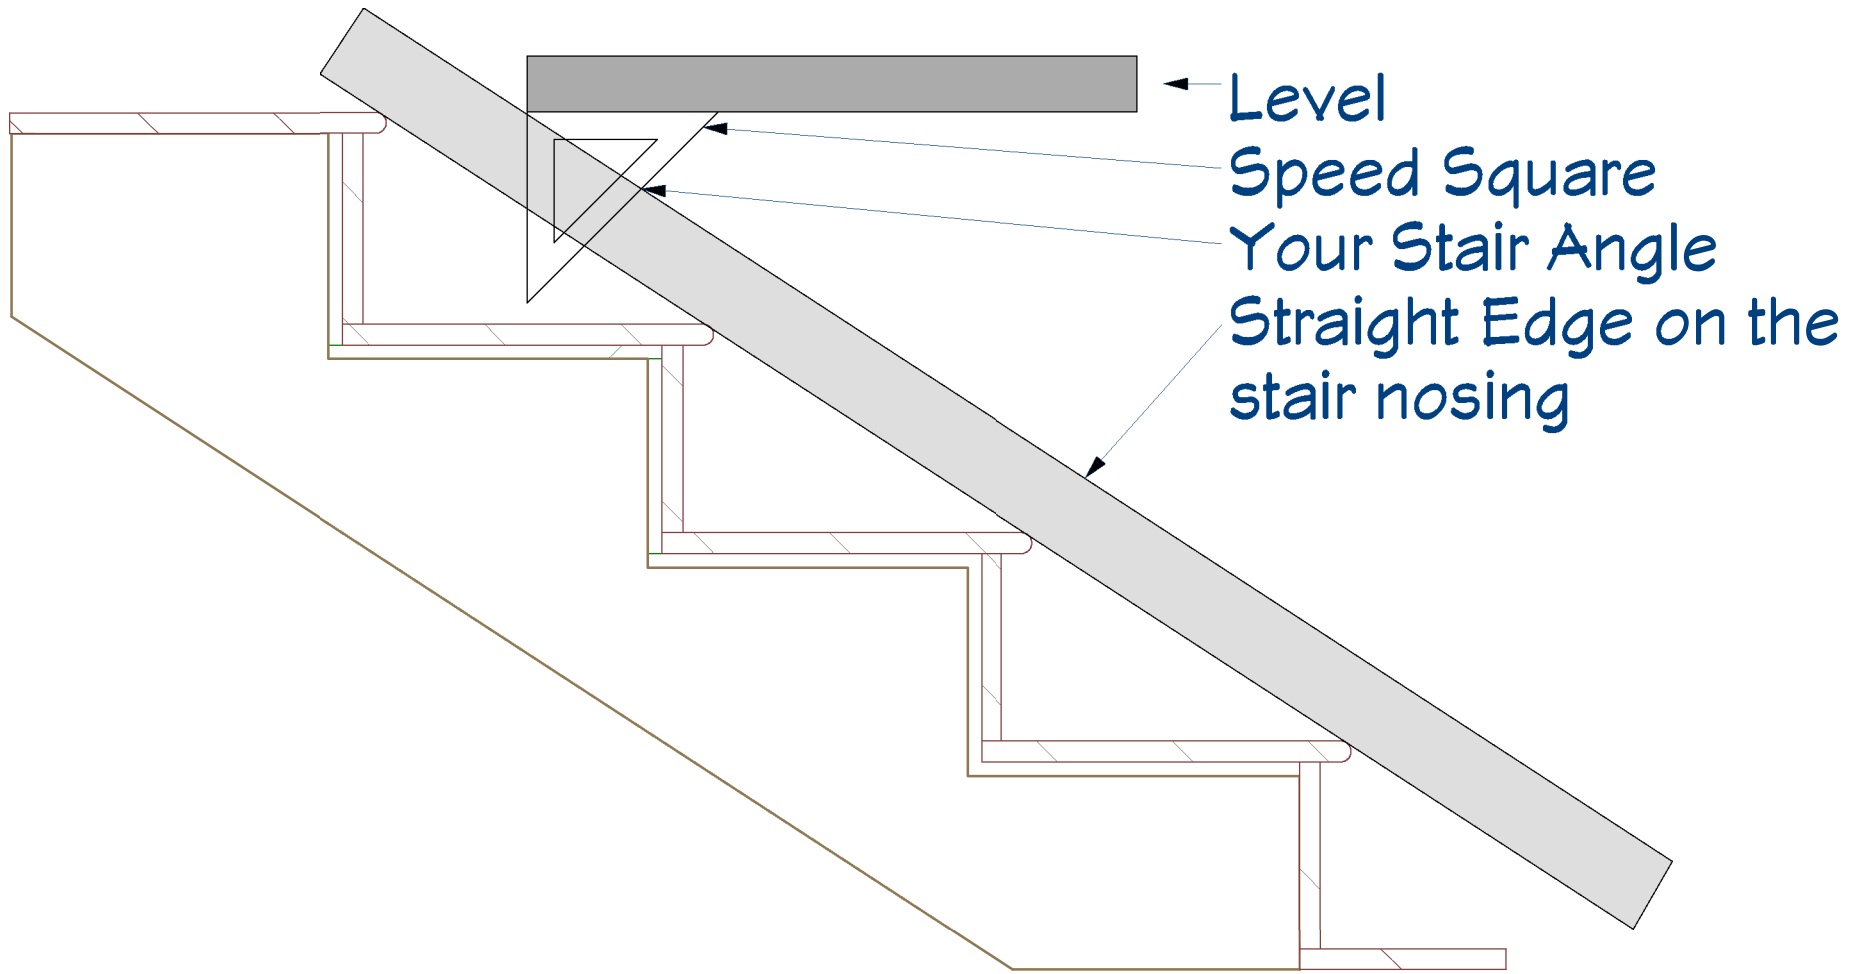

Stairs: Run _____ Rise _____ Stair Angle Degree _____ Length of Diagonal _____

Drawing: include dimensions of deck or balcony, number and width of treads, size and location of landings, length of stair run(s). If your stairs are not plumb and level, rise and run measurements by themselves, will not give you an accurate stair angle. Use a level to find out how level your stairs are.
