

HOW YOU'LL SPEND YOUR TIME ABOARD AN AMAWATERWAYS RIVER CRUISE

On an AmaWaterways river cruise, you'll say goodbye to your standard routine and hello to outdoor activity, fine dining and relaxation. Taylored Tours' goal is to match you to a luxurious but affordable vacation experience that is both comforting and adventurous.

When you're not touring a destination, you'll be enjoying the many amenities offered on the ship, as well as breathtaking views from the Sun Deck. With a smaller number of passengers on board, you'll have more time to enjoy the amenities in a more personal way.

AWARD-WINNING MEALS

Enjoy coffee and the breakfast buffet each morning, light lunches and refreshments throughout the day and exquisite meals prepared with locally sourced ingredients for dinner.

AmaWaterways is especially known for its fantastic meals on board.

FITNESS CENTER & CLASSES

Each ship offers a fitness center to help you stay active between excursions. And if the treadmill isn't your preference, there is also a professionally trained Wellness Host offering daily classes. Start your day with a yoga session on the Sun Deck, a spin class on the back of the ship, or a light stretch class, and set the tone for a relaxing day.

SALON & SPA

No vacation is complete without a bit of pampering. The spa onboard offers massages throughout the day so you can relax on your own schedule. With fewer guests on board you won't have to fight for an appointment.

Feel like going out for the evening while we're in port? Let the stylists at the salon give you a new look or simply help you look and feel your best before heading out.

DECK POOL

You may not choose a tropical cruise, but that doesn't mean you can't relax and enjoy the sun on the top deck! All ships have a heated pool (some with a swim-up bar for optimal enjoyment) or a jacuzzi, perfect for relaxing any tired muscles while cruising past the graceful, castle-filled countryside of Europe.

Feel free to come back out when the sun goes down. As you cruise past larger cities, the views of bridges full of lights or cathedrals lit up under the stars are extraordinary.

EXCURSIONS

Regardless of which cruise itinerary you choose, you'll have a variety of excursions to choose from. Activity level varies to suit your preference for the day and bikes are available on the ship for you to take into town. There is even a tour option for "late risers" if you'd like to take advantage of your lush bed and catch a few extra zzzs.

During some stops, you may prefer a mild hike; on others, wine tasting or touring a Kölsch brew pub. Alternatively, you may wish to take on some free time with your group and explore the city. Some of our clients' favorite days are strolling through the cobblestone streets of obscure cities, feeling out the local culture.

BEST IN CLASS SERVICE

If there is anything that could make your time on board the ship better, let the AmaWaterways team know! The only thing better than their dining is their service. The team truly prides itself on building relationships with each guest and creating a family-like feel for your journey.
