

# STANDEASY MAT

---

Made from 100%  
Natural Rubber

Domed Surface  
provide sure footing  
against spillage

Improve comfort by  
reducing lower  
back and leg stress

Stand Easy anti-fatigue mat provides a comfortable standing or kneeling surface for workers required to perform tasks in one place for an extended period of time. Ideal for commercial kitchen, assembly areas, control stands, receptions, sales and cashier area.

Available in standard size of 3'x5' and 2'x3'. The offset bubble design of the mats enables flexible movement reducing stress on joints during repetitive motions and decreasing fatigue.

Stand Easy is made of closed-cell nitrile, they will return to their original thickness even after extensive standing wear. It can be cleaned with most mild cleaners and hosing it off with water.
