You are not to add anymore comments, you are behind on dues that takes away from everyone in here, you are not to be on any committee till dues are paid in full. RICK DUNHAM.

“The Board is making a stronger commitment than ever to transparency, ensuring that communication with owners is timely, open, and informative. This website is a key part of that effort, and we want to express special appreciation to Rob Williford (109 W. Hampton Dr.) for creating/maintaining it and helping bring this vision to life.”

Report below shows the #views of <http://www.firstcolonyhoa.org> last month. I’ve tried to continue to add content to the other pages since the web site was released last August to keep the site from becoming stale and encourage owners to visit again. What other news or accomplishments since last August can you share? Have you had interim Board meetings for which meeting minutes can be posted?
