

LOOK WHAT YOUR NEIGHBOR SAID ABOUT US!!!

"Huge shout out to Charles Moody Services! There isn't anything these guys can't do. Our biggest challenge after purchasing our lake house was finding a dependable handyman service to handle projects both big and small. CMS has exceeded our expectations at every opportunity! Charles promptly met with us to go through our lengthy "to do" list, provided us with an estimate, and got to work. Charles always replies immediately and his response is always "yes we can get that done for you." Among the many projects the CMS team has completed for us...boat dock painted & decking resurfaced with cool deck, café lights & fans hung, power washing, windows & gutters cleaned, overall home maintenance. They also do an amazing job of prepping the lake house prior to our visits so that when we arrive, we can just enjoy the lake. I cannot recommend Charles Moody Services more highly. 10 stars!!" - Julie M. cmshomeimprovement.pro
