Parent/Caregiver Agreement Form for Infant entering Toddler program.

I, _____ understand that my child, _____ will be enrolled into a Toddler Program at The Three Bears Daycare.

The Toddler Program is licensed for child aged of 18 months – 2.5years, but under certain circumstances a child under the age of 18 months but at least 12 months of age and walking is allowed to enter the Toddler Program.

The parents/caregivers must understand that the child will be treated as a toddler, due to the fact that we are not licensed for an Infant Program. This means that the child will follow the guidelines geared towards the Toddler Program, such as programming, rest time, lunch time, and outdoor time also any other daily activities or events occurring at the Centre.
