The Three Bears Daycare will try to meet family's requests for specific start dates. Unfortunately, due to the number of children possibly on the Wait List and space limitations, start dates cannot be guaranteed. By submitting this form you have secured your child's name on the Wait List but have not guaranteed enrollment into the program. In the event that a space becomes available that meets your families' criteria and the age requirements of The Three Bears Daycare you will be contacted by the program supervisor to complete further registration forms. If no waitlist exists then Supervisor will contact parent 2 weeks prior to preferred start date to complete registration package.

An outline of our Policies and Procedures are available online at www.thethreebearsdaycare.ca in our Parent Handbook and Policy Manual. A hard copy can be provided to you upon request free of charge.
