

Byers Water & Sanitation District

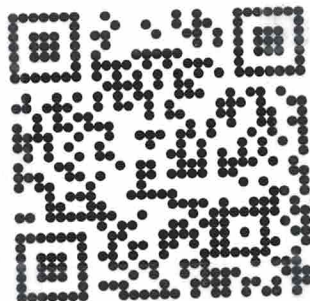

**To all those that are serviced by Byers Water &
Sanitation District!!**

We sent out a flier about having a new company in which to make your payments through. Unfortunately when copying the web address, it had a mistake in it. For that I do apologize. The web address to set up the account to pay your water bill if you so chose to is:

<https://new.nexbillpay.net/byerswsdco/billpay/signin>

Or you can scan the QR code and it will take you right to it. Then all you have to do is set your account up. We at Byers Water & Sanitation District pride ourselves on giving you the best service and water possible, also making improvements to better the district one step at a time. Also always feel free to come in or give us a call, we are always there to help. Thank you!!
