Back to School:

We are so excited for school to be back in session and to begin our After School Program. We are open after school until 5:30pm. Snacks are served daily and our staff are here to help with any homework the kiddos may have. Transportation is provided by the Bozeman School District/First Student. With school back in session please remember to slow down and stop for busses.

SCHOOL'S BACK IN SESSION— LET'S KEEP OUR KIDS SAFE!

 **STOP** when a bus has its stop sign out and red lights flashing.

 Never pass a stopped school bus— it's illegal and dangerous.

 Be extra cautious during pick-up and drop-off hours.

Our children's safety depends on all of us. Let's work together to protect them!
