### News:

❄ Happy New Year! Please remember all our youth need to fill out new forms for the 2026 year.

❄ MSU Science Night: FEBRUARY 5, 2026 | 6:00 - 7:30 PM | MSU SUB BALLROOMS

Join us for a fun, free evening of hands-on educational activities in science, technology, engineering and mathematics in the Strand Union Building (SUB) ballrooms. Interact with MSU students, meet MSU scientists and engineers, and circulate at your own pace through various engaging demonstrations and experiments in a science festival atmosphere.

### Donor Spotlight:

Thank you to all of our incredible donors who make our program possible for youth in our community. We are grateful to have you as part of our organization.
