

SCOZZARI BUILDERS OF TRENTON AND MANTOLOKING, NJ BEGIN CONSTRUCTION AT HOLY CROSS PARISH, RUMSON, NJ

Scozzari Builders Inc., of Trenton and Mantoloking, NJ is proud to announce that after twelve months of Pre-Construction Services for Holy Cross Parish of Rumson, Construction of the New Church has begun and is to be completed within fourteen months.

Scozzari Builders Inc., in a joint effort with McCreary Architects from Washington, D.C., Father Michael Manning and Holy Cross Business Manager Roger Trendowski diligently worked through twelve months of Pre-Construction Programs, including Design Development, Material Selection, Scheduling, Value Engineering, Budgeting, and Permitting.

The new church consists of 21,500 square feet on two levels, including a choir loft and seating for approximately 639 parishioners. The lower level will contain additional restrooms and a large gathering area to be used as a multipurpose facility. The steeple from the existing church will remain and has been incorporated into the design of the new Holy Cross Parish.
