Dear Nick:

Please accept my thanks to you on behalf of the School for successfully completing the "Heart of Hun" project and for doing a good job with it.

You have helped to beautify our campus and make us a better school. I know that the time and effort that went into creating this area was difficult and challenging, but I hope you can feel a sense of pride in the positive change that you made in our community.

I always appreciate your good work and your loyalty to our School, Nick.

Please accept my best wishes to you and your family for a wonderful summer.

Sincerely yours,
