Re: Letter of Recommendation

To Whom It May Concern:

As the Township Clerk and as a member of the Building Committee, I had the opportunity to work closely with Scozzari Builders. They were not only a pleasure to work with, they did an excellent job. Throughout the process, they were cooperative, responsive, and helpful. "They" included not only Nick and Len Scozzari but also the construction foreman, the office staff, and the sub-contractors. We didn't agree on every issue but we were always able to work out the problems.

Anyone interested, is always welcome to come see our new municipal building and the fine workmanship. I don't hesitate to recommend Scozzari Builders and I am sure all the other members of the Building Committee agree with my assessment that we were generally very pleased with Scozzari Builders in all aspects of our project.

Sincerely,

  
Betty Jane Hunt
