

# OUR PURPOSE INCLUDES:

## ENGAGING THE NEXT GENERATION

MCCA actively seeks opportunities to engage youth in topics of aviation.

Need a Mentor?  
Please reach out and we would love to talk to you about how to reach your aviation dreams!

## PRESERVING CLASSIC AIRCRAFT

MCCA is proud to provide a hangar for aircraft builds in support of the local EAA chapter.

Do you want to help build an airplane? Get involved!

## PROMOTING AVIATION LOCALLY

MCCA hosts an annual fly-in to gather the local aviation community. Join us in September!

We also work to connect aviators in Maine through social media. We provide a platform to communicate aviation related events across the state.
