

STAY WITH US!

2023 is our first year as a Harvest Host!

Come visit us and enjoy a night on a private airfield. As a 501(c)(3) we ask kindly that you support our cause with a tax deductible donation in an amount of your choosing for your stay!

Are you looking for a comfortable get-a-way?

Fly (or drive) to ME62 and stay on site in our airfield cabin.

We have another lakeside cabin available nearby that is great for hosting large groups!

Bookings completed through [airbnb.com](https://www.airbnb.com).
