## 4 PERSON SCRAMBLE RULES

This scramble tournament is a “Captain’s Choice” format.

All team members will tee off on each hole and then the Team Captain will select the best drive.

Each player will hit their next shot from that location.

This procedure is followed on every shot for the duration of the hole in play, including putts.

The first ball to go in the hole is counted for the team score. Each foursome will complete each hole with one score.

Scoring will be handled by golf course management and USGA scoring rules.

All rules will be announced by the golf professional prior to the start of the event.

Each team will be able to purchase a maximum of four (4) mulligans.

Any golfer who does not have a foursome will be matched with others to complete a foursome.

*Proper golf attire and soft spike golf shoes required*
