

Due to the current worldwide COVID-19 viral outbreak, your health and that of your loved ones are our greatest concern. And so we find it necessary to be clear what will be expected during your 4 hour class and visit to our facility. All students will be expected adhere to the social distancing policy as set fourth by the Weber/Morgan Health department and the Utah state Governors Office. And everyone attending a class will be expected to sign the following disclaimer upon arrival to your scheduled class.

I _____ do hereby understand and attest to the fact that as I am attending this class at SFCS (Steve’s Flagger Certification Services) that I am not showing any symptoms of the COVID-19 virus, to include but not limited to, a cough, excessive runny nose, sore throat, fever, trouble breathing or other respiratory problems that could be related to the contraction of the COVID-19 Virus. And that I have not received a positive test result for COVID-19 virus in the past 14 days. I also understand that I will be expected to maintain the current Social distancing policy as set fourth by the Governors office of Utah as well as the Weber/Morgan County Health Department, by maintaining a minimum of 6 Feet of distance between myself and anyone else in the facility classroom, office or premises during my visit. I further hold Steve’s Flagger Certification Services harmless should any health issues to myself arise as a result of my visit, for the purpose of taking this Flagger Course. I further understand that a pair of Latex gloves will be provided to me upon arrival and that I am not required to wear said gloves, and that hand sanitizer will be available for my use. However, no mask will be made available to me during my visit, and SFCS is not required by Weber/Morgan Health department to supply one. I do understand that I am absolutely authorized to supply my own mask if I so choose for additional protection to myself and others.

Here at SFCS your safety, and the safety of your family and friend’s health is our biggest concern. Please know that we are taking many precautions on everyone’s behalf by thoroughly sanitizing every surface to include your tables, chairs, restrooms, walls and anything else that you may come into contact with prior to your visit to our facility. Because of the current COVID-19 Pandemic we will be in a very strict social distancing policy during the taking of this course, for everyone’s safety.
