Release & Refresh Women's Empowerment Series, Inc.

Making a difference

Release & Refresh Women's Empowerment Series, Inc., (RRWES) is a 501(c)(3) non-profit public charity organization dedicated to improving the Mental, Emotional and Spiritual health of Women and Girls through inspirational round-table discussions, workshops, seminars, classes and conferences. We provide Women & Girls a safe space to *"Release the daily challenges of life" and "Refresh with Victorious Solutions."*

Our Programs

We launched our first program, *"Images, the Media & the Impact on Women & Girls,"* in January 2017. Over 30 Women & Girls lives were changed and encouraged to work toward becoming their authentic self. We followed up with two more workshops, *"How to Heal from Past Hurts: Learning the Power of Forgiveness,"* and *"Boosting Confidence & Self-Esteem."* These life-changing workshops improved the mental, emotional and spiritual lives of all who attended.

Our Spiritual Division kicked off in 2018 with *"Daughters of the Gospel" formerly, "Women in Ministry Conversations."* Over forty women in all areas of ministry were encouraged, uplifted and empowered by a panel of seasoned female ministers.

"We Rise-Recharge Women's Empowerment Conference

In 2019, we launched our inaugural *"We Rise-Recharge Women's Empowerment Conference"* at the Detroit Southfield Marriott Hotel in Southfield, MI. Over 30 women spent the entire day being empowered by dynamic speakers that touched on five pillars *1) Mental; 2) Emotional; 3) Spiritual; 4) Physical and 5) Emotional.* Women are still talking about this powerful conference and we are looking forward

to our 2020 Conference with your help and support.

S.H.I.N.E. (Serving Holistic Inspiration Nurturing Empowerment)

We are excited about our newly created *S.H.I.N.E. (Serving, Holistic, Inspiring, Nurturing, Empowerment)* Mentoring Program for Girls (ages 8–14) and Young Ladies, (ages 15-17); which provides girls and young adults with positive role models to guide them in achieving and maintaining a Healthy Mind, Body, Spirit and Social Integrity that develops their leadership, self-esteem, self-confidence and vocational pathway to achieve their goals. With your support we will be able to launch this program in May 2020.

Anti-Bullying/Cyberbullying Summit

Our upcoming event, *“Anti-Bullying/Cyberbullying Summit for Boys & Girls,”* is designed to empower and educate Boys & Girls, their parents and/or guardians on strategies to recognize, respond and prevent bullying. Our youth deserve to feel safe and secure in being themselves while identifying areas to improve their self-esteem and self-worth.

We kindly ask for your financial support so we can continue servicing girls, boys, women and men to become their best self!
