Release & Refresh Women's Empowerment Series, Inc.

Making a difference

Release & Refresh Women's Empowerment Series, Inc., (RRWES) is a 501(c)(3) non-profit public charity organization dedicated to improving the Emotional and Spiritual health of Women, Girls and Families of Color through holistic empowerment programs and events. We provide Women, Girls, and Families of Color "safe spaces to *"Release the daily challenges of life" and "Refresh with Victorious Solutions."*

We are a volunteer organization and rely solely on donations for operational and program expenses.

Our Programs

We launched our first program, *"Images, the Media & the Impact on Women & Girls,"* in January 2017. Over 30 Women & Girls lives were changed and encouraged to work toward becoming their authentic self. We followed up with two more workshops, *"How to Heal from Past Hurts: Learning the Power of Forgiveness,"* and *"Boosting Confidence & Self-Esteem."* These life-changing workshops improved the mental, emotional, and spiritual lives of all who attended.

Our Spiritual Division kicked off in 2018 with *"Daughters of the Gospel" formerly, "Women in Ministry Conversations."* Over forty women in all areas of ministry were encouraged, uplifted, and empowered by a panel of seasoned female ministers.

"We Rise-Recharge Women's Empowerment Conference

In 2019, we launched our inaugural *"We Rise-Recharge Women's Empowerment Conference"* at the Detroit Southfield Marriott Hotel in Southfield, MI. Over 30

women spent the entire day being empowered by dynamic speakers that touched on five pillars *1) Mental; 2) Emotional; 3) Spiritual; 4) Physical and 5) Financial*. Women are still talking about this powerful conference, and we are looking forward to our next Conference with your help and support.

The Women's Empowerment Institute

The Women's Empowerment Institute provides Mentoring, Empowerment Classes, Seminars, Conferences and Programs that Holistically develops Women and Girls to live life to their fullest potential. All our Mentoring programs fall under the Women's Institute including the Grace Program.

The Grace Program

In 2021 we launched the Grace Program, a Mentoring and Financial Assistance program for Single moms with children in school, who are housing insecure. They may be "doubled-up," living with friends, in hotels/motels or in a shelter. The Grace Program provides Mom's with emotional and financial support to help them improve their quality of life through SMART Goals. We guide and refer them to the resources they need while holding them up along the way. We also provide financial assistance for emergency housing or help with security deposits as well as other items such as air beds, food, household items and other needs as they transition from homelessness to stable housing. The Grace Program also helps their children improve in school because of stability in the home.

We kindly ask for your financial support so we can continue servicing Women, Girls, and Families of Color to become their best self!
