Divine Invocation

To the Divine... in loving gratitude,
we invite you to speak with us now.

To our loved ones in spirit,
guardian angels, guides and protectors...

Thank you for crystal clear
epiphanies and answers,
as we open our heart and soul
to receive your messages.

We are shielded and encircled
in the protective
pure white light of love,
to receive messages
exclusively for our highest best.

So be it.
~amen

Development Circles

- a devoted group of people who are open and interested in improving their natural mystical abilities, synergistically.

Mystic

- seeks to unlock esoteric mysteries and validate spiritual truths for ultimate communion with the Divine and Spirit.

Psychic

- intuites the past, present, and probable futures for people and events in this life.

Medium

- translates messages for spirit people, usually loved-ones in spirit.

Channel

- speaks or writes inspiration coming directly from Spirit.

Divination

- a tool such as tarot to interpret messages from Spirit.
