March 9, 2025

Hello,

We are writing on behalf of the Rams Golf Booster Club. We have organized as a 501(c)3 certified organization for the purpose of promoting golf as a life skill, to support the middle school golf club (grades 5-8) and the varsity golf team at Richland. There are several goals the club has chosen to pursue including assuring the kids are afforded the opportunity to learn the game and its etiquette, promote off-season events designed to encourage continued play by all kids throughout the year, and provide financial support to both the club and team.

As we continue this endeavor, the club has identified a yearly budget of slightly less than \$20,000 to run events, provide memberships at local courses, support items (balls and tees), clothing items (shirts and hats) and other equipment. During our first year, we raised enough to also purchase a simulator for outdoor use. We are hopeful to work with the school to find a location that will allow the simulator to be used indoors, thus extending the opportunity for the team to practice during poor weather or during hours of darkness.

We are asking for your financial contribution to assist us in meeting our goals. Any donation is greatly appreciated and fully tax deductible for either you or your business. We are hopeful that you will visit RamsGolf.org to further understand the goals of the group. We want you to know that your donation will have a positive impact on both our community's youth and the development of players that will contribute to the success of the Varsity Team.

Please make checks payable to RamsGolf.Org and mail them to the school at 1 Academic Avenue, Johnstown, PA 15904, donate at our website, or you can coordinate with one of the officers below.

Respectfully,

Jim Orr, President
(814)691-8908

Scott Dunlap, Vice President
(724)388-1740

Travis Stouffer, Treasurer
(814)322-6935

Minde Yorchak, Secretary
