

SCHOOL DISTRICT OF
RHINELANDER

OUR STORY

and Strategic Plan for 2023 - 2028

WHO WE ARE:

Rhinelanders serves nine surrounding townships and the City of Rhineland. The District educates approximately 2,300 students in its four elementary schools, one middle school, and one high school.

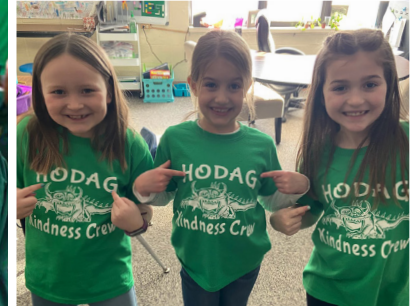

We are all very proud Hodags at The School District of Rhineland!

A great education is the cornerstone of this community. It's why families live here and businesses choose to locate to Rhineland. Our community and schools all work collaboratively to support each other - to ensure that all students have access to high quality programs and opportunities so that our young people are ready to take on great careers and have bright futures.

Strong schools and strong communities go hand in hand. In Rhineland, we all share a common goal of providing the best education, making operations efficient, and to create deep community ties. We look forward to this journey together as we continually seek to prepare our students to be the successful leaders of tomorrow.
