Presidents Message

Last meeting was interesting, Dick Pugh from Portland State gave an fascinating program on meteorites, this is the third time for me however I've learned something new each time, thank you Dick. Our bake sale for our annual Picnic/Hunt, was held, thank you to the folks both donating and buying, every cent goes towards Picnic/Hunt functions. Leah Law and Laura Alvstad-Hittle are having a garage sale June 2nd and 3rd proceeds for our Picnic/Hunt, thank you ladies and those who donated. Update: Leah and Laura had a very successful sale and everyone going to the Picnic/Hunt should give them a big THANK YOU!

Junes meeting Anthony Wagstaff will be giving a demonstration on how to clean all your found treasures.

Junes meeting will be the last before our Annual Picnic/Hunt July 16th at Rooster Rock State Park, please keep these things in mind, let Leah Law know if our interested in helping out, let us know if your are attending and number of folks, sign up early for the Hunt [field salt purposes]. There seems to have been a misunderstanding about Hunt entry fee monies, every cent of your entry fees will go out in the field [in Clad and silver], plus extras like pop can, penny, donations and whatever else I can squeeze out of the budget. Trust me, you are going to find some pretty strange things out there besides the normal coins, tokens, and keys, don't throw anything away until after the drawings, just saying. Speaking of the field, if anyone has some silver coins they wish to part with at a good, price let me know, less I pay, more goes in the field. If you have never attended one of our Picnic, it is a must, ask anyone who has attended, good food, great conversation, fun games with great prizes, and the kids free hunt is an amazing thing to watch. This years Raffle has 2- Whites TRX pin pointers, 2- Garrett ProPointer AT's, 1- Minelab Go Find 20, 1- long handled metal sand scoop, 4- Digmasters [if they come off back order] and whatever else comes in, tickets may be purchased at meeting and day of Picnic, need not be present to win write name on back of ticket. I would bring a few extra bucks for the games, prizes are very good, again just saying. If you are coming to the Picnic/Hunt her are a few things people forget, bug spray and sun tan lotion, if you still forget ask me I normally have some extra.

Hope to see you all at our next meeting June 27th, have a pleasant time between now and then,

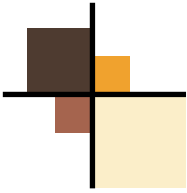

Byron Dunn, 2017 President

May 2017 OTTS Meeting Minutes

Meeting called to order at 7:00 and Pledge of allegiance held.

Officers and board members introduced. No minutes available, did not make the web site. This problem was addressed later. Treasurer report was given: in and out for the month and ending balance of \$2779.58. Those interested may discuss directly with Larry Williams.

Member draw taken: Sue Maxon won 1954 Walking Liberty. Progressive draw taken: Maggie Fitzgerald won 1922 Peace Dollar. There were 36 members signed in. May birthdays were noted, just 2 present, Paul Smith won the 1926 dollar. April club hunt was reported: no gold found, only four silver items reported.

Old business: News letter not working to the point of getting onto the OTTS web site. New prospect for web master. Picnic prep going well. Garage sale with happen June 2 and 3.

Guest speaker was Dick Pugh from PSU. He presented a very nice slide show on Meteorites and had a display of various types and sized. He explained the defining marks that you should look at in the field and four people brought in what the thought were meteorites to have inspected. Interestingly, a meteorite has to be more than 20lbs in space to make it all the way down to the earths surface without burning up.

Plinko winner were: Mike Jefferies-1939 half, Paul smith-1943 quarter, Byron Dunn- 1964 dime, Jeff Sikorski-1964 dime.

Quarter Drop winner was: Steve Eichman, he swept the field, 1920 half, 1964 quarter, two 1964 dimes.

The Big Raffle will be reported separately

The Bake Sale produced \$170-+ that will go toward the picnic hunt seeding.

The FOTM ballets were tallied and winners announced. The one single piece of gold won the Find of The Month. Category winners and placers are reported separately.

Thanks to Dick Pugh for the nice informative presentation.

Pop-Top Field Guide

Like ancient arrowheads, these pull tabs from Arizona landfills convey information to archaeologists.

Distinctive designs identify which canned beverages the tabs opened.

Tab quantities indicate the popularity of each beverage. And the brief time in which each tab design was manufactured helps date samples.

Used for just 40 months in the mid-1970s, Coors punch-top cans also supply an approximate date.

OREGON TREASURE TRAIL SOCIETY

The Oregon Treasure Trail Society was formed in 1982 when five avid hobbyists put \$5 each into the kitty and started the club in an effort to provide an organization that would unite people together with the same interests in metal detecting and searching for coins, tokens, and other small interesting treasures of the past.

Today, we continue to provide a wonderful environment for those interested in this great hobby. Our club provides an opportunity to join with others and enjoy spending time on outings and sharing experiences. Everyone is welcome to attend one of our meetings.

We meet on the 4th Tuesday of each month, at 6:00 p.m. for social hr. at 7:00 pm meeting Come early and socialize with members from 6:00 to 7:00
