O.T.T.S. President's Message

We've had a few nice days of weather and I was able to get out detecting a couple of times and enjoy not being drenched for once. I spend a fair amount of time researching places to detect and find it more difficult to find new locations to explore. How are you doing at this? I have a few old maps and books about history of Portland and Vancouver. Use Google Maps, Google Earth and Historical Aerials as well as the GIS system here in Clark County. Using these tools I have located a few "out of the way parks" that once contained an old homestead or building. Last year I dug some really cool telephone insulators from one of these locations and on another spot found some military buttons. You have to be creative to find new spots. Good luck in your quest to find new locations.

Last month Diane and I were absent from our regular meeting as we had traveled to Leavenworth, WA. For our anniversary (we met there). We had just left our house and were traveling north on I-5, heading to Tacoma to turn East. At milepost 82 on I-5, I was in the fast lane and suddenly noticed a deer jumping the median of the freeway into our lane. The deer hit the side of the car in front of us and ended up directly broadside at the front of my truck at about 65mph. I had started to slow down but there was nothing I could do. We hit that deer in the fast lane with a loud crash, and as traffic around us started to slow down I worked my way to the slow lane and finally off the freeway to the median. Traffic was flying by, it was narrow and I got out and did a quick inspection of the front of my truck. It was heavily damaged and my parking sensors were sounding off. I got back on the road and made it to the next exit (4 miles) and both Diane and I looked over the damage and determined we could continue on. We thanked God we were in a large truck and not our Mini Cooper as that deer would probably have gone through our windshield rather than under our truck. I guess my point is that you just never know what will happen next. Not to mention that there are a lot of crazy drivers out there. Be safe and always be aware of your surroundings.

Sincerely,

President Scott H

Meeting Minutes

Minutes for meeting April 25, 2023

Meeting was called to order at 7pm by President Scott H. The Pledge of Allegiance was recited and the officers and at large board members were introduced. The meeting was attended by 32 members and 1 guest (Richard S.). Scott noted the start of the latest raffle of an 1983 1 Sovereign Gold coin which the winner will be drawn at the club picnic in July. Scott also reported about a couple incidents of confrontation by park employees and how to deal with these encounters. Also reported was tonight's program by Bill B. on Tokens. The minutes of the last meeting were published on the website, at this time a motion was made, seconded, and the meeting minutes were accepted by the membership. The Treasurers report was read by Don with a current balance of \$2604.30 in our account. At this time a motion was made, seconded, and the treasurer's report was accepted by the membership. April birthdays were announced. Happy birthday to Scott J., Sandy S., Mike M., and Ashley W. No tokens were turned in. Maggie F. won the member draw and received a 1941 Walking Liberty half dollar. The Progressive draw was won by Paul S. and he took home 1 silver dollars. There will be \$1 silver added to the kitty for May. Ryan gave a club hunt recap that was held at Columbia Park which was attended by 22 hunters. Congratulations to Harold V. for a first place win at the hunt with a great find of a ladies gold ring among many other items. Ryan also reported that the next Club hunt will be April 30th. See the web site calendar for the location to meet for the club hunt. And let's thank Sherrie B., Kirk E., Larry W., Ron and Kathy B., and Laura S for bringing snacks in tonight. Wow we had a lot of snacks. I hope I didn't leave anyone out. Next month Ron and Kathy B. will be providing snacks for our May meeting.

Program:

Bill B. presented a program, discussion and display of tokens he has found in his adventures of collecting and detecting these wonderful pieces of history. Bills display of rare tokens was enjoyed by all. Especially interesting were the Oregon tokens and some rare examples from local towns and establishments. Bill is always available for questions about your finds so contact him through the club for information or questions. Thanks Bill for a great display and discussion.

Old Business

Some mention was made in regards to the upcoming picnic. Scott suggested you get your entry form turned in so we can determine the number of people coming to the picnic for coordination of food and other necessities. It was noted we have the majority of coinage for the picnic hunt but as always the club will happily take donations of silver, foreign and domestic coins to include in the picnic activities.

Other Meeting Information:

Ongoing club fundraisers and charitable contributions include a monthly can food/money drive for the needy. Cans with deposits and washed pennies are collected each month. The money is used for club activities. Clean pull tabs are collected and donated for scrap metal.

Rooster Rock Picnic

UPDATE: OTTS 20th Annual Picnic and Seeded Hunt - Sunday, July 9th 2023 at Rooster Rock State Park.

The date for our event is fast approaching and in the last few months we've received a lot of great prize donations from club members and vendors alike.

Nokta, Garret, XP, Predator Tools, Dans Lanyards, Steves Detector Rods, NW Detectors, Oregon MDS, Prospectors Treasure Trove, Detector Warehouse, Portland Gold Prospectors, & American Digger Magazine have all come through or promised their support for our great organization, so be sure to return the favor when you get a chance.

But please remember the most important part of this event is your participation, and one of the most helpful things you can do is to sign-up early and volunteer a little of your time to help out (There's a checkbox on the sign-up form to volunteer).

Meanwhile we're still accepting donations for prizes of merchandise, precious metals and collectible coins, so if you've got something special in mind that you know other's would appreciate we'd love to have it on the prize table.

Thanks

Lee Hahn, OTTS Picnic Chair

O.T.T.S. Monthly Club Hunt

April 30th 2023 Location: Clinton City Park, Franklin High School, Atkinson Elementary School

General Information: None

Historical Information: Acquired in 1948, Clinton Park is named after Clinton Street which abuts the park. Clinton Street is named for a popular pioneer minister, the Rev. Clinton Kelly. Kelly's brother, the Rev. Albert Kelly, has a park in southwest Portland as his namesake (Albert Kelly Park). Founded in 1914, Franklin is Portland's fourth high school.

Club Hunt Details

Hunt Results: 21 members and 4 guests turned out for the club hunt. Hidden on the day were 10 regular club tokens, three special tokens, two grab bag tokens, and 1 white zinc penny token good for a hat. There was a new challenge for members to participate in as well. Hunt Master Ryan gave one member the opportunity to “prove they know their machine” and they were given a red flag. Once and only once during the club hunt they would have an opportunity to mark a signal they believe is a dime. If they dig it up and it is a dime (witnessed by the Hunt Master or another member) they win a silver dime at count out. If they are wrong, they lose out because you only get one chance. Ryan randomly drew member names and Mike was given the flag for the day, and witnessed by Scott, planted the flag and then dug up a dime. Well done!

For natural finds in the park, the club did great. Ron found a 14k men’s wedding band which wasn’t very far from where he parked. Willy found a 1959 silver Washington quarter. Jeff, Harold, Lee, Steve and Laura found silver jewelry. Laura also found the oldest coin on the day, a 1936 wheat penny.

At count out, Ashley claimed a silver quarter for finding the new special token. The other two special tokens were not found and Ryan recovered them. Lee got to try the grab bag, getting five seconds to reach in and pull out a prize. He pulled out a plastic token in a cardboard flip, better luck next time! Club members only turned in 2 of the 10 club tokens good for a silver dime each. The remaining tokens are still in the park and good for a silver dime at any club meeting. Allisyn found the white zinc penny good for a hat and won a black Deus hat. The trash derby item was a pull tab, and Harold won a silver dime for his astonishing total of 32 collected on the day. The pull tabs will be donated to the American Legion.

For the membership drawings, Allisyn and Jerry both won Franklin half dollars. Ashley won a Washington quarter. There was an extra member draw due to Willy finding a silver coin, and as fate would have it, Willy’s number was drawn and she won a Mercury dime.

The next club hunt will again feature two special tokens worth a silver quarter, and a special token good for a 1948 Swiss 2 Franc donated by Ed.

Barber trio this month, two from Portland parks and one from a holly orchard up in the Puget Sound area. I get really excited anytime a Barber comes out or any 1800s coin for that matter! My goal this year was two Barber coins, now it's all icing on the cake!

I thought I was doing well when I found this. 10 minutes later Willy found that Barber Half. Oh well....

Deus 2 finds another silver ring,

Deus 2 also found this piece of iron. VDI 95. It loves it's iron signals.

A couple of coin spills.

Thought I had another big gold ring. Only Golb this time.

One more silver ring for the road.

Oregon Treasure Trail Society History

The Oregon Treasure Trail Society (O.T.T.S.) was formed in 1982. It was started by five avid hobbyists who each put \$5 into the kitty and declared themselves an official club. They set out to provide an organization that would unite people together with the same interest in metal detecting, whether it be coin and token hunting, relics hunting, or simply a passion for finding interesting treasures of the past.

O.T.T.S. Club Meeting Location

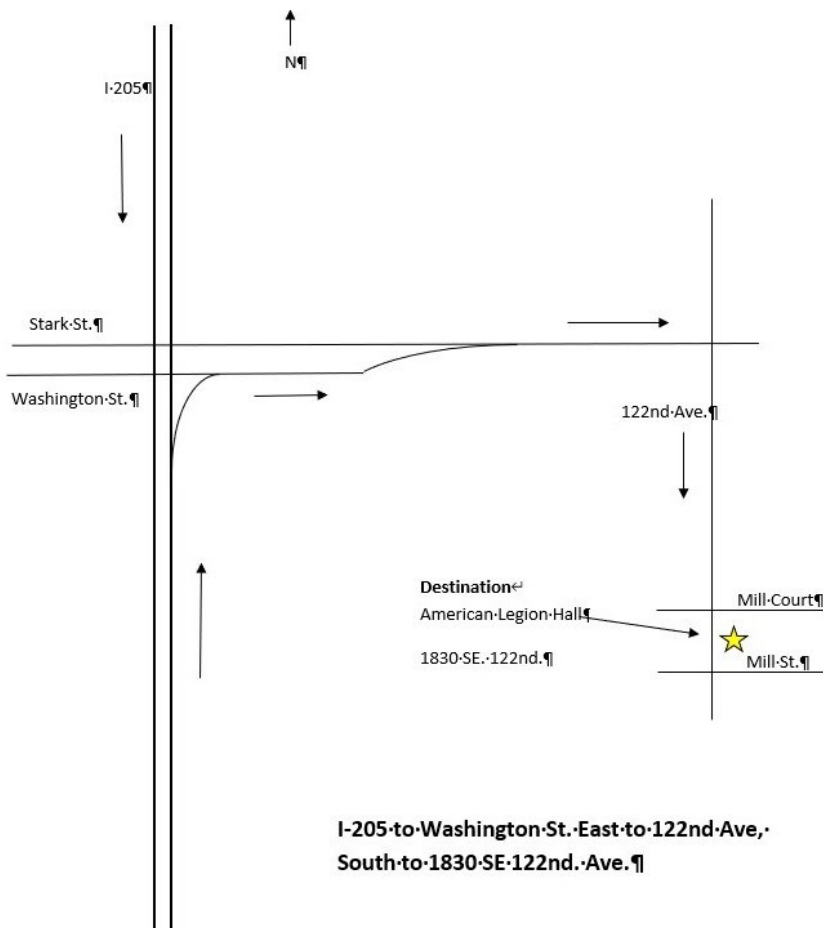

Come and see us in person by attending one of our meetings. Club meetings are held the fourth Tuesday of each month.

American Legion Lodge located at:

Club Code of Ethics

- I will respect Private property and will not trespass without the land owner's permission.
- I will not destroy property, buildings or what is left of ghost towns and deserted structures.
- I will not litter, always pack out what I take in and remove all trash dug in my search.
- I will leave all gates and other accesses to land as found.
- I will appreciate and protect our heritage of national resources, wildlife, and private property.
- I will use thoughtfulness, consideration and courtesy at all times.
- I will abide by all laws ordinances or regulations that may govern my search, or the area I will be in.
- I will fill all holes, regardless how remote the location, and never dig in a way that will damage, be damaging to, or kill any vegetation.
- I will report the discovery of items of significant historical value to a local historian or museum in accordance with the latest legislation.
- I will be an ambassador for the metal detecting hobby. I will be polite and informative to those who inquire about my hobby. I will be an ambassador of my pastime.
- I will not misrepresent as to how and when an article was acquired.
