## O.T.T.S. President's Message

With sunbeams cascading into my office window I would like to be detecting, but duty first.

Last month our membership grew by another 4 members plus a renewal from a long time member. I am so encouraged by the vibrancy of you our membership....

A sure sign of a healthy organization.

You may not realize but The American Legion Post offers us a one time \$100 rent discount if any of our members join the Post. If you, a spouse, parent or grand parent served in the military you can qualify. This also includes our women members. For details talk to Scott Hadley. This helps us keep our budget on track.

I encourage all of our members to participate in our monthly club hunts. We have all skill levels of hunters and most of us will be happy to answer your questions. Remember we all were all in your shoes at some point. Come on out and join the fun and meet a new friend or two.

You may not think so but our members would like to see what you found this month (FOTM). Please show what you found by entering Find of the Month. You may not find as much as other members but enter what you do find. Every category entry gives you points in the annual awards. FOTM entry forms are on the website to download.

Happy hunting

Rick Page, President

O.T.T.S. Monthly Club Hunt

March 30, 2024 Location: Pier Park, Portland, OR

**General Information:** None

**Historical Information:** Year acquired 1920 • Size in acres 85.00

The park was named for Stanhope S. Pier, who served as a Portland city commissioner in the late 1920s and as acting mayor in 1931. In 1930, Commissioner Pier proposed several improvements, including a pool in Albina, the expansion of Mt Scott and Lents Parks, and the development of Pier Park in the style of Laurelhurst, then considered the most beautiful park in the city.

**Club Hunt Details**

**Hunt Results:**

20 members and 1 guest turned out for a beautiful day to have a March club hunt. Ryan hid 10 regular club tokens in the park and five special tokens. Ryan announced there would be a special raffle at count out and trash found would increase your raffle odds. The prize for the extra raffle was a Franklin silver half dollar Christmas hunt.

The club found some nice items in the park. Willy, Tim, Jackee and Ryan found silver dimes. Ryan found a buffalo nickel. Harold found an older silver ring stamped sterling. Members found 21 wheat pennies, the oldest confirmed one found by Ryan was 1918 which also won the oldest coin. Jerry found a probable 1914 but it was beyond confirmation. The club also found some foreign coins, tokens and costume jewelry. Laura S. found 35 bullet casings for a whopping 70 points in the competition hunt!

At count out seven club tokens were turned in, and all five of the special ones. Jerry won a 1930 Standing Liberty Quarter. Sean won a 1943 Canadian Quarter. Harold won a 40% JFK for finding the golden nickel. Harold and Laura S. found grab bag tokens and got to try their luck. The other three club tokens are still in the park, they are good for a silver dime at any club meeting. Pull tabs were collected and will be donated to the American Legion.

For the membership drawings, Tom and Ed won half dollars, Jerry won the Standing Liberty quarter. For the bonus raffle, Ryan used his iPhone app to input the total number of trash found for each person. Then a drawing was held automatically and Harold won a silver half.

### RULES:

Please follow the Metal Detecting Code of Ethics. (See last page of the Newsletter) We want to be able to continue this event in the future, so be respectful.

Remember, this is for fun.

Each month, a new clue will be published in the newsletter.

When found, turn in the Challenge Token at the next OTTS club meeting for the prize.

Have fun figuring out the clues and Happy Hunting!

### First Clue:

Merry will be the one who finds the Challenge Token south of the Nchi wana river. All you have to do is find this in the dirt:

### Second Clue:

Young, strong and athletic are the youth that play on the fields nearby my lair, west of the Whilamut river. Between Death and Life the treasure awaits.

# Call for Picnic Donations

Thus far we have received a few donations, but members donated a lot in 2023! These donations extend the prizes for the picnic. If you can donate war nickels, indian head pennies, or a few 1800s era coins to add into the hunt or prize pool you could make someone's day extra special.

I would love to see a few of these be available in the seeded hunt:

- US Large Cents
- US Two Cents
- US 3 Cent, Trime or Nickel
- Seated Dimes/Barber Dimes
- Barber Quarters/SLQs
- Silver jewelry

Last year members donated a Deus 1, and hundreds of silver dimes, old nickels, silver rounds, a gold coin, silver jewelry, bullets, keys, toy trucks, vendor swag, pinpointers and proof sets! Donations not suitable for seeding in the hunt can still be made into a prize for a game, or token found in the hunt.

I detected under some bushes at a local Portland Park. I heard a screaming signal in the high 90s & figured it was likely a pipe or car part. About 7 inches down was a pink baggy with a heavy object inside. It wasn't until much later that I realized it was a pink dog poop bag. The item felt like a cellphone, but as I started to wipe the dirt off the plastic sleeve I could see .999 FINE SILVER! There was no freaking way I was actually holding a silver bar ??

My heart started racing & called for Ryan to run over so we could look at it together. That is when he said it was a 10 OUNCE SILVER BAR! I couldn't believe it & would have been thrilled with one gram! This hobby is wild!!!

Some March finds for me, one particularly fun find was a kid's Huckleberry Hound ring which is stamped 1959 H.B. (Hannah -Barbara) and from what I could research came as a prize in a box of Kellogg's cereal in the late 50s or early 60s. I searched far and wide for the exact box but couldn't find it. What a cool find though which brought back fun memories of searching through cereal boxes for the prizes when I was a kid!

Ok. I am a sucker. I bought another of the XP pinpointers. It has some advantages over other pinpointers. It syncs with your detectors and allows you to hear the pinpoint tones in your head phones. It has a huge range of sounds and it is very good at detecting where an object is in a hole. This time I lubed the seal, so hopefully it doesn't drown, like the last one.

I got seriously lucky at the last club hunt. I won a lot of silver after wandering around for 4 hours like the other members.

My best silver from this last month

## Oregon Treasure Trail Society History

The Oregon Treasure Trail Society (O.T.T.S.) was formed in 1982. It was started by five avid hobbyists who each put \$5 into the kitty and declared themselves an official club. They set out to provide an organization that would unite people together with the same interest in metal detecting, whether it be coin and token hunting, relics hunting, or simply a passion for finding interesting treasures of the past.
