

SHINING MOUNTAINS OWNERS ASSOCIATION
Board Meeting
January 11, 2018
Madison Valley Fire Station #3

In attendance Jim McFall, Don Kensinger and Leslie Skillman, Administrative Assistant.
Absent were Dave Hunt and Howard Goltz. Craig George, Judy Daluiso and Sandi Bourgeois.

Jim called the meeting to order. Due to the fact that there were only 2 Board members in attendance, the meeting will be informational only.

The Sherrards would like to have a street sign on their road. They said that the county maps show that the road is named Bluff Trail. Jim will further investigate and a sign will be placed in the spring. Sue also mentioned that she is interested in the Administrative Assistant position and will send a resume to the Board.

Snow plowing was also discussed. Judy noted that the person plowing the road left loads of snow in the middle of the road. Jim did explain that the plower was new. The individual who plowed the roads last year was unavailable until recently. He will be the person plowing going forward. There was also a discussion about using snow fence next year.

There was a discussion about the road work to be done in the spring. We talked about having a road committee. Sandi suggested that there be someone from Units I, II and III on that committee.

With no further business the meeting was adjourned.
