Shouldn't the cigar you sell have one too?

CertiFresh Advantage Explained

Does my current cigar vendor guarantee their cigars will stay fresh for one year?

A. All CertiFresh® cigars are guaranteed to stay fresh for one year no matter the storage conditions. Our active humidification via the patented Humidipak® insert keeps our cigars in perfect condition. CertiFresh® is the ONLY company that uses an active, two-way humidification device. All CertiFresh® cigars have a "smoke by" date on each cigar indicating when it was packaged and how much of the one year shelf life is left.

Do I or my staff have the time to maintain and monitor the moisture levels in our humidor, every week?

A. Cigars are very fragile and must be kept at between 68-72% relative humidity. Too dry, the wrappers crack and unravel, too wet and they won't light or get moldy. Unless someone on your staff is keeping a watchful eye on your humidor and making sure the humidity is correct, you have less than perfect cigars. Your customers will notice a too dry or too wet cigar. CertiFresh® cigars are always perfect.

Is my cigar provider paying the state tobacco tax for me?

A. We have found that the majority of the cigar companies (local and national) are not paying the state tobacco tax on the cigars they are supplying golf courses. State tobacco tax can run as high as 95% of the wholesale cost of the cigar. Many suppliers do not have a distributor's license because of the cost (up to \$3,000 a year) and they don't want to bother with the monthly paper work. CertiFresh® has all necessary licenses and pays all associated taxes for you. You have enough to worry about; paying the state cigar tax is our job not yours.

Are all my cigars top rated, nationally advertised, well know brands?

A. Many of the cigars obtained from a local shop are nothing more than their overstock. Local shops don't want to provide their best selling cigars to someone they are going to make less margin on. Every CertiFresh® cigar has been rated an 87 or higher by Cigar Aficionado® and Cigar Snob magazine®. Every cigar we offer is the best there is. Every cigar is handmade, long filler; no cheap mix-fill cigars. Because we sell 30K+ cigars per month; we always have the freshest stock direct from the makers.

Am I promoting my golf course, restaurant and driving range with every cigar sold?

A. Every CertiFresh® cigar has your unique artwork included at no charge. Now every cigar you sell is custom to your operation. We can make different art cards for each segment of your business. One version for the pro shop, one version for the restaurant, and one version for the bar. In addition, each art card can incorporate a coupon to drive sales to other parts of the business. No other cigar vendor helps you not only make a profit on the cigar sale, but also help generate other merchandise sales too.

Am I selling cigars from our beverage cart?

A. If you're not selling cigars from a beverage cart you are losing out on significant additional sales. A customer on the back nine is not going to drive or walk all the way back to the pro shop for another cigar. They will buy another beer and cigar from your beverage cart. CertiFresh® supplies you with a cart container at no charge. Because of our packaging, CertiFresh® is the ONLY vendor that allows you to sell cigars from a beverage cart with zero risk of losing freshness.

How many cigars (and dollars) am I throwing away due to damage?

A. Many of our new customers report they were throwing away 10-20% of their cigars each month due to damage. It's human nature to want to squeeze and smell a fine cigar. Unfortunately, this often damages the cigar and makes it unsalable. When cigars become too dry, they develop cracks and splits. No one is going to spend \$10 on a dried out cigar. If cigars are too wet, they get mold spots on them. No one is going to spend \$10 on a moldy cigar. Because of our unique packaging, you'll never throw a CertiFresh® cigar away due to handling, or condition issues.

Am I missing out on tournament, corporate and wedding business with my current vendor?

A. Because every CertiFresh® cigar features 100% custom packaging, we can change it to suit any customer or situation you might have. We will make custom artwork for any tournament, event, corporate customer or wedding for FREE! We only have a two box requirement for this service. Now you can offer cigars to every tournament to generate additional sales. Cigars are the perfect, low-cost tournament, event, outing, and wedding gift.

NEW for 2023 — Premium Four Packs

The Perfect Foursome for the Course or the Pub!

OLIVA SERIE O HABANO small cigars are distinguished by a wider ring gauge you don't often find on cigars of this type. That means more earthy-spicy Nicaraguan flavor for you. No matter where the course takes you, you'll always have some great little cigars on-hand. The ultimate "one drink and I'm outta here" cigar to enjoy with a tequila or rum based cocktail after the round!

ROMEO Y JULIETA is a name every cigar smoker knows, no matter their experience level. The most popular and most-awarded line from Romeo is the 1875, and for good reason! Excellent construction, flavorful Indonesian wrappers, and expertly blended Dominican fillers make for a great experience, but unfortunately, sometimes the amount of time you have isn't quite sufficient to enjoy a full stick. With a 4"x 38 ring the 1875 Bully Cigar fills the 15 - 20 minutes needed to enjoy a post round cocktail.

ASHTON HALF CORONA cigar is a medium-bodied cigar with nuances of peppery spice. The blend of 3 to 4 year old Dominican tobacco, along with its rich Cameroon wrapper, creates an extremely well blended rich taste. The draw of this Ashton cigar from beginning to end is never disappointing.

LIGA PRIVADA UNICO SERIE PAPA FRITAS are a unique addition to Drew Estate's highly-acclaimed Liga Privada series. All of the cigars in this series are extremely limited and exceptionally delicious. Blended with 3 select Nicaraguan Cuban seed longfillers, a Connecticut River Valley stalk cut & cured Habano binder, and a Brazilian Mata Fina wrapper. The smoke is medium to full in body and marvelously complex. The perfect compliment to an after round bourbon or full flavored beer. 4.25" x 44 Ring

Hear what others have to say about CertiFresh Cigar

Day to day comparison from this year to last, we have increased cigar sales from 15 a week to 40. A 270% INCREASE!! We have had roughly the same amount of people on site, I believe that this is solely due to having your quality product on site.

Steven Fowler El Macero Country Club CA

As a cigar smoker myself I appreciate the guaranteed freshness of every single cigar. No more worrying about maintaining my humidor. And they are a great impulse buy in my golf shop! I keep the display box right at the counter and my sell through has been fantastic.

Joe Febonio Head Yardley Country Club PA

We have a large cigar humidor, and I didn't see a need for a separate CertiFresh program. We gave CertiFresh a try while keeping the unpacked cigars in the humidor. After a few weeks our members stopped buying the unpacked cigars and demanded we switch to all CertiFresh packaged cigars. We made the change and could not be happier with the program.

Gary Hayden Golden Valley Golf and Country Club MN

CertiFresh is a great addition to our product mix. Packaging, price, product and service are spectacular! We re-ordered several times and sold every single unit.

Nicholas Maresca Kirkbrae Country Club RI

CertiFresh cigar has everything your club needs for those that enjoy a premium product. CertiFresh delivers a fresh product every time, my members appreciate the great quality.

Al Sutton Paradise Valley Country Club AZ

Having Seven premier golf courses at The Cliffs under one membership made our partnership with CertiFresh an easy decision. The fact that there is a guaranteed fresh cigar in each custom package allows us to provide our members with a consistent, reliable product. CertiFresh has a tremendous variety of cigars that we are able to offer and we have seen a significant increase in sales with members and guests purchasing multiple cigars to have in the bag to enjoy later in the round or another day altogether. The CertiFresh team have been great to work with and appreciate the partnership.
