### SADIE HAWKINS REQUESTS

#### Instructions for filling out Sadie Hawkins forms:

1. Fill out form, and be sure to have enough requests in preferential order to cover the jobs that your seniority will hold.
2. **REMEMBER!** If you do not put in enough requests you may end up on a job less desirable. Also if you are set back Engineer or a qualified Foreman not working in that position and have low seniority you could be forced at Sadie to work as a foreman or a switchman/brakeman. No Exceptions.
3. The requirement for fulfilling the 120 days in the craft you are bidding for must be met in your requests.
4. Be sure to clear all outstanding bid requests after all jobs have been assigned after Sadie Hawkins, The employee is responsible to clear your Bids and not the bulletin clerk. In CMTS the bids stay in there until they are awarded.
5. List your choices in preferential order, 1<sup>st</sup>, 2<sup>nd</sup>, 3<sup>rd</sup> and be realistic as to what you can hold (remember one can be forced to an open position relating to his or her position on the seniority roster and his or her qualification). To those that are in any training classes or other forms of service after the deadline for Sadie Hawkins Day has passed, will be afforded a bump.
6. ALL MEMBERS MUST PLACE A BID, EVEN IF DESIRING TO REMAIN ON YOUR CURRENT JOB. THIS IS TO REDUCE PROBLEMS WITH PLACEMENT!
7. PLEASE fill out both pages, print your last name and initials on both pages and place them in the Smart boxes in the North Yard and 36<sup>th</sup> Street. All other outlying points, such as LaSalle, Phippsburg, Colorado Springs, Rolla, and Roydale can scan their bids via PDF to the Local Chairman's emails listed on the bid sheets.

**Deadline for the bids to be in is November 30th, 2024 at 23:59. The bids will go into effect on Sunday December 8th, 2024 at 00:01.**
