The Power of History on the Catawba River

Catawba Nuclear Station

Allen Steam Station

Lake Wateree

Please join Emilee Syrewicze, Executive Director of the Catawba Riverkeeper Foundation, as she discusses the history of power production and development of the Catawba River. Come examine how the River's history has shaped the current state of the Catawba - one of America's most endangered rivers.

Please direct any questions or comments regarding the series to Brent Burgin at 803-313-7063 or wbburgin@sc.edu. Mr. Burgin welcomes suggestions and ideas for future talks and speakers.
