## 6. NEW BUSINESS

\*Note - due to Mr. Waggoner being able to attend the meeting, President LeBlanc altered the order of items.

A. Discussion and possible action regarding possible sales tax election - appointing committee members and discuss retaining Touchstone District Services to assist in public relations, etc. – The Board recognized Justin Waggoner with Touchstone and allowed him to explain what Touchstone would be able to provide the District. Mr. Waggoner stated they could provide communications (texts, social media campaigns, handouts, etc.), as well as meetings with key persons within the District to enable the District to better prepare for a sales tax election by getting the word out, "feeling out" the community, etc. He recommended the District form a committee to work on the election, have the attorney prepare necessary documents and that Touchstone would draft a retainer proposal. He stated the commissioners serving on the committee would need to have authority to make decisions as needed "on the fly" if necessary.

After discussion, motion made by Commissioner Arnold to appoint Commissioners Barnes and LeBlanc, as well as Chief Bodin and Ms. Buffington to the committee. Motion seconded by Commissioner Barnes.

All voted AYE. Motion carried.

B. Discussion and possible action regarding per diem firefighter pay rates – Chief Bodin stated that after investigating other surrounding Districts, he found that several were paying slightly higher rates to their day crews. Therefore, he proposed that the per diem rates be increased by \$0.50/hr. starting with the next pay period. After discussion, motion made by Commissioner Arnold, seconded by Commissioner Barnes, to increase the per diem pay rates, starting next pay period, by \$0.50/hr.

All voted AYE. Motion carried.

C. Discussion and possible action regarding sponsoring volunteers to Orange County Fire Academy - Chief Bodin stated that a TCFP certified school starting June 2, 2025 was going to be held. ESD 3 sponsoring and Kilgore College running It would be hybrid online classroom and hands-on training. completing would be certified which would help with ISO rating. He stated 7 persons were interested and cost would be \$1800/person. Currently, policy is to have people pay their own way and then the District will reimburse 50% now and 50% in 2 years. Due to the hefty up front costs of this class, he recommended the District sponsor attendees but put a contract in place to ensure people attending serve at least 2 years after attending. Ms. Buffington stated she would work on the contract. After discussion, motion made by Commissioner Barnes, seconded by Commissioner Childers to approve 7 attendees provided they sign a contract stating 2 years service due after class completion and attendee must pass class to TCFP standard with one year to retest if necessary, if failure, all funds must be reimbursed.

All voted AYE. Motion carried.

D. Discussion and possible action regarding possible automatic aid agreement for Entergy facility – Chief Bodin had been approached by the City of Port Arthur to request that we enter into a possible automatic aid agreement for the Entergy facility due to the new traffic issues with the bridge construction entering into Bridge City. He suggested to the Board that we might enter into an agreement providing we were reimbursed standard FEMA rates. After discussion, motion made by Commissioner Barnes, seconded by Commissioner Childers, to authorize Chief Bodin to respond to the City of Port Arthur with a yes provided standard FEMA reimbursement rates apply.

All voted AYE. Motion carried.

- 7. COMMUNICATIONS FROM CHIEF, DISTRICT ADMINISTRATOR, ETC. Chief Bodin stated ISO report finished regarding the City but more questions for the District area. He thinks a 5 or 4 for City and District 5's will stay 5's and outside areas may come up from 9 to 7. Future improvement needs include training, certifications, inspections.
  - Commissioner Barnes commented on the status of cleanup at Station 2 (bay area and outside).
- 8. ADJOURNMENT There being no further business, the meeting was adjourned at 7:05 p.m.
