### A Visit With Dr. John

The Boys Camp is April 30. The emphasis this year is sports. The boys will probably be able to pick up some good pointers. It will be a good time for dads, (moms,) and sons. I appreciate Brad Boykin giving leadership to this event. Please let the office or Brad know if you plan to attend.

GA Camp is May 13 - 14. This event sponsored by the WMU always is a hit. Debra Carnley has led this event for many years and does a wonderful job.

The Southwest Alabama Mission Trip will be June 19 - 24. This has been a good time for Evangelism, Christian growth, and fun for many people during the last two decades. If you are looking for a starter mission trip, this is it. Call the office to sign up.

IncrediCamp has been such an outstanding success. Lester Rachel and his Committee work on this camp all year long. Sometimes, as many as 100 people volunteer to help. The children seem to have a great time. There is a spiritual emphasis. This time, it is about God keeping His promises. It would be great if the church would sponsor their children, so that all may come.

The Mobile Food Pantry gives away tons of food every last Tuesday of the month. It is an interdenominational effort to help people in our area. Several of our churches support it financially and assist with giving out food. The Church on Boll Weevil Circle is hosting a benefit for the food pantry on May 7, 9:00am-noon. They will give away free barbecue plates to the public. The objective is to help other people who need this service to become aware of it. Applications to receive this food will be available at the May 7 event and always at the Association office. If you know of someone this would help, please pass along the word.

### Personnel Committee Request

On March 8, the Executive Committee approved a motion from the Personnel Committee to recognize Dr. Granger's service in Coffee County for 30 years. He has been DOM for 22, but served the association in various functions the rest of the time. He was moderator the first year he was here. We felt that this would also be a good opportunity to talk about the work of Coffee Baptist Association.

We are going to do a few things, but you can help us do a couple of them. Dr. Granger usually does a "morning moment" on a few radio stations. We will be using this time during the month of May for pastors and church members to record a one minute spot talking about either your friendship with Dr. Granger or a highlight of something you did together in the work of the Lord and the association. If we cannot put them all in May, we will put them on CCBA Facebook page or publish in other ways.

Emily can set you up with a time and record your message. Just call her at 894 - 6411. Just do it quickly because these things need to be together by the last week of this month.

Another thing we are doing is having people record similar personal messages on their phones. We ask that these may be put on the association's Facebook page. Of course, you may share them as you please. Again, please do these quickly, and alert Emily.

Representing the Personnel Committee,  
 Dr. Sam Self, Chair
