A Visit With Dr. John

The latest news regarding the rollout for the COVID-19 vaccine is that every adult in America who wants one, will be able to get it within the next few weeks. Health officials remind us that people should still use caution, but their words seem to fall on deaf ears.

It does appear that we are on the edge of the return to normalcy. I feel certain that your church is beginning to make plans regarding how that happens.

Some of the important but routine events on the association calendar are a go. Some of them are noted in this newsletter so you will have time to promote them in your church.

The Spring Boys Adventure Camp on May 21-22 should be a great outing for your boys, their dads, and any who work with the boys. Brad Boykin worked with state RA Camps for several years. We are blessed that he leads ours.

The GA Camp (May 14-15) is something that lots of our young girls look forward to. Debra Carnley is an excellent leader.

Although we canceled Incredicamp last summer, it had been at capacity for two or three years. Bro Lester Rachel and the Children's Committee work hard to make this a memorable time.

The mission trip to South West Alabama at the end of June has been a time of Christian growth and discipleship making for about 20 years. If some of your church would like to go, please have them to contact the office or Brad Boykin at 334-494-1951.
