### A Visit With Dr. John

Excitement is growing about the Scott Dawson evangelistic effort in March. About a third of our pastors have told me they want their churches to take part. I believe many more will want to. They simply have not talked to me about it yet.

There will be quite a few ways for you or people in your church to participate in preparing for this event. One of the most obvious ways is to pray for it. Please pray that God would anoint Scott Dawson and others who lead us. Pray that we will have a good response. Pray that people will respond to the Lord in repentance and faith. Pray that many will be added to the Kingdom during this time.

The Evangelism Committee is requesting that every church have at least one counselor to be trained on March 1. It would be great if your church would have a man and a woman to be a part of the training session and be ready to lead folk to Christ.

Another thing you can do is to help spread the word. We have flyers in the office. We would love for you to put them up on your church bulletin boards and in the windows of any business that will allow you to do it.

Also, you can help a lot by posting this information on the social media platforms you use. It's not a big time investment or great effort, but if lots of you will do it, it will make a big impact! By the time you get this newsletter, there only will be five weeks until the meeting begins. So, please do not tire of posting and reposting.

The first night of the crusade is on a Wednesday. If you and others can get your church to participate strongly, you will be surprised how much energy and enthusiasm your church will gain through helping and attending.

We have had to skip two years doing the annual Heroes Banquet because of Covid. I believe this one will be well attended for many reasons, including just being thankful we can do it again. I appreciate Ino Church for hosting. If you know people who work in Law-Enforcement, Firefighting, or are First Responders, please encourage them to call their reservations into our office. This is a time when we try to show appreciation to these who serve us so faithfully. It is done in behalf of all of the churches that make up our association.

Please remind the young adult and middle adult couples of the Making Marriage Better Retreat on March 11 and 12. I believe it will be a great time. Bro Jim Duhaime will lead.
