*A Visit With Dr. John*

So many good things are coming up. This is at least one part of the blessing of being partners in ministry. I'm thankful for all the committees and other volunteers who make all of these things happen to enrich our lives and prompt us to evangelistic and discipleship endeavors.

I'm thankful we had a few more to go through Disaster Relief Training this past weekend. They earned certification and will be a part of our disaster relief effort.

Our Men's Ministries Director will talk to the Ministers Conference attendees on February 24 about all the possibilities for men's work in our churches and in our communities.

The big thing coming up is still the Scott Dawson Evangelistic Encounter March 16-17. We have a good committee leading various aspects of the work getting ready for this event. We hope you will be able to have a couple of your church members train to be counselors on March 1, at our office. If you need flyers to hand out or put in store windows or bulletin boards, we can make sure you have those. Please say an encouraging word about posts regarding this event on Facebook or social media. Too, share it with whatever audience you influence.

Please help us to pray for it that God would use it to bring lots of people to faith in Him and renewed commitment to Him.
