A Moment with the Director of Missions

Did you let freedom ring?

What a blessing to live in an area where patriotism is celebrated. From patriotic songs in our churches to the firework displays in our communities, America was celebrated well. We are blessed to live here! However, not everyone in America is free. As a citizen of this great country, yes, but not free in a spiritual sense. Jesus said in John 8:36 "... if the Son makes you free, you shall be free indeed." Until you are free in Jesus you are never free at all. Now that is something to celebrate. As a citizen of America and a citizen of Heaven, patriotism just means more. Let Freedom Ring!

Let me tell you about something exciting that is coming up, on September 7 at 10:30 we will begin a weekly Minister's Meeting in the CCBA Conference Center. During these weekly meetings we will share news of what God is doing in His church as well as our personal lives. We will pray together and hear from a guest speaker or one of our own will preach. Then we will go to lunch. This will create a wonderful bond among our ministers that will become a favorite part of the week.

At the time of this article, I have visited 18 VBS's. They are each impressive and different in many ways. I continue to be blessed by the quality of the preparation and teaching. Good Job Churches! Directors/Pastors, please provide me with an update on your VBS as far as enrollment and salvations. I want to celebrate with you what God has done!

Don't forget to pray for IncrediCamp. I am excited to see God do many special things during it. I am so thankful for the many volunteers that work so hard for its success.

Continue to pray for our churches that are seeking a pastor.

As you may know, Donna and I have bought a house at 100 Michelle Court in Daleville. We are in the midst of painting and getting it ready to move into.

Remember the CCBA exists for you!

I'm blessed to serve Him alongside of you,

Bro. Jud
